Knitting Needle Brands and Company Names Names Beginning with P and Q

-	Brand Names, Company Names, Other Relationships	Material	Type	Owner/Contributer	Notes
Needle Owners/Data Contributors -- Pat Ashford, Rhonda Barratt, Heike Belter, Christina Bertrand (inc her newsletter NeedleNotes), Judy Cameron, Naomi Cidder, Judith Durbridge, Yvonne Haylock, Ineke Hulsmann, Sue Lennon, Gay Lines, Pam Mycock, Nancy Nehring (inc her site lace buttons), Molly Pearce, Rike Platenkamp, Joyce Poynter, Jean Price, Marilyn Tebb, Beryl Warne, Shelia Williams, Robyn Zloch, Hazel and David Arnold, Barbara Smith (inc the Knitting & Crochet Guild UK), Nicola Kissane, Erin Titmus, June Rivett, Karen Kearney					
Pearlac		coated aluminum	set of 5 DP	GL	French
Pearsall, J., & Co	The firm's logo was a duck.	steel	4 x DP	SEW	"Best Tapered Steel Knitting Pins" marked on packet. J. Pearsall & Co of Taunton has been making sewing silks since 1795. Still active -- MP. They also advertised their KN on their sewing needle packets. The back of the black knitting needle packet says "hand-made knitting pins and crochet hooks"
Pecam			SP	SEW	French ? CC 718
Peer	US firm		SP		old, and very rare needles
Peerless	Brand name of A.F. Brabant of Yonkers, NY. Brabant Needle Co Inc.	chrome or stainless	SP, circular	SEW CC2402, 2031, 1690	<div style="border: 1px solid black; padding: 5px; width: fit-content;"> <p>Sewing needles made at Lion Works, Redditch.</p> <p>Circular - early metal twisted wire in manila envelope.</p> </div> 
Peerless Novelty Co.	Owner of Diamond Brand and of Diamond Delux and Delux.	metal	4xDP	SEW CC851	Paper packet says Grand Rapids, Michigan. From lacebuttons.com, Nancy Nehring : Peerless Novelty Company, Address 2012: 2101 168th Avenue, Grand Haven, Michigan 49417 USA Peerless Novelty Company was founded in 1917 and based in Grand Haven, Michigan. It changed its name to Stanco Metal Products, Inc. in 1997 with locations in Grand Haven, South Carolina, and New Mexico. The company specializes in metal fabrication. Design Patent: 1919 US D52973. Patent 1919 US 1269014
Pelican		resin	SP	SEW	UK CC 683 - also CC 755 children's sets in wholesalers box with paper labels
Penelope	Brand name of Manchester draper W. Briggs (WB Wools) for whom the needles were made by a number of manufacturers inc Alfred Shrimpton (see NN No. 7, p 44). Firm was eventually taken over by Coats in 1963.	resin	SP DP	Poynter SEW CC1201	Inscribed around stopper is "Penelope England". Name is also sometimes on the shaft of larger needles. CC 1201 is a set of 4xDP in a metal tube. <i>Penelope</i> is also the name of a French knitting magazine of the 1930's, but I don't think there is a tie up with the needles.
Penn Products	This brand retailed during the 1970's.	aluminum	SP	SEW CC933, 1180	Card holding needles says "made in Japan for PENN Products
Pennine	English but sold in New Zealand - see NZ list	metal	SP	CC 3494	
Pennys	US department store house brand	aluminum	circular SP 4xDP	SEW CC 1147	4 aluminum DP in cardboard holder

Perfection			SP	SEW CC1535	French
Perfection Points	Boye brand		straight		
Perfecto - also see D.C.N.	Sold through Woolworths stores in Canada. Packages state Perfecto Aluminum Knitting Pins New Improved Hard Finish Non-Staining Made in Canada Anodized Aluminum Knitting Pins Dominion Comb & Novelty Co. Warwick P.Q. (P.Q. means Province of Quebec), also referred to as DCN.	aluminum, resin	set of 4 DP, also straight	SEW CC 2051 CC 412 Also CC1392, which is 4xDP with a different label with (Hall's ?) elephant. Also CC 1941.	Made in Canada, with black button stoppers (around 1940's ?). Paper wrapper says "reliable knitting needles." Note similar wrapper on Canadian brand Three Bees although the metal Three Bees says England on the shaft. CC 2744 - aluminum with self-coloured plastic stopper. 
Perks, Thomas & Sons	Redditch needlemakers		DP	SEW CC793	Large, cheap wooden tube case, label says Thomas Perks & Sons Best Spring Steel Knitting Pins, and there is also a cross logo.
Perl Inox	Inox brand Also Perlinoxtric as one word	steel with resin stopper	straight	SEW CC776, 2283.	Shaft embossed "Perl Inox 13" and also "made in Germany" INOX-TRIC marked on flat green hexagonal resin stopper, set perpendicular to shaft. Shaft is wider at the tip than near the stopper (to save weight, I think). Others marked TRIC only on 1 side (green waisted lozenge). Pearl-Inox on others. (Gift from Naomi Cidder). Various hexagonal, lozenge or shield shaped stoppers, embossed or printed Perl Inox. CC 2283 is a wholesaler's box with needles in plastic holders and dating to the 1980's.

Knitting Needle Brands and Company Names Names Beginning with P and Q

-	Brand Names, Company Names, Other Relationships	Material	Type	Owner/Contributer	Notes
Needle Owners/Data Contributors -- Pat Ashford, Rhonda Barratt, Heike Belter, Christina Bertrand (inc her newsletter NeedleNotes), Judy Cameron, Naomi Cidder, Judith Durbridge, Yvonne Haylock, Ineke Hulsman, Sue Lennon, Gay Lines, Pam Mycock, Nancy Nehring (inc her site lace buttons), Molly Pearce, Rike Platenkamp, Joyce Poynter, Jean Price, Marilyn Tebb, Beryl Warne, Shelia Williams, Robyn Zloch, Hazel and David Arnold, Barbara Smith (inc the Knitting & Crochet Guild UK), Nicola Kissane, Erin Titmus, June Rivett, Karen Kearney					
Perl Inox Tric	brand name of Perl Inox	steel	SP	BW	coloured stoppers with sizes marked. Packet marked "These needles are faster because the shaft is smaller than the standard size and takes a quarter more stitches than a standard needle of the same length"
Perlac	French. One brand name is QuickKnit.	resid	SP	SEW CC1636, 2347 (SP w hard plastic push-through holder)	<p>Seller says : They are called Quick Knit because the shafts taper so that the stitches do not bind and that makes knitting a lot faster! If you've tried the turbos and find that you are always dropping stitches its because the turbos are very slippery. The Perlac Quick Knits are coated so that your stitches stay on the needle until you are ready to knit them. The tips are also blunt so you won't split the yarn as you are knitting."</p> 
Perle		resin	circular and flex (rigid tip, flexible shaft, stopper on end)		
Perma	brand name of Adrien May (French importers) .	steel aluminum	SP circulars		Printed phone number is Murray Hill 3-7858. Date shown is 1947.
"Perseverance" Penny Packet, The	Wholesaler brand name, which also appears on sewing needle packets, reels of silk, etc.	metal	4xdp	SEW CC1415	<p>sold in US, but Molly Pearce says made in England</p> 
Peter Hudson			needle gauge		sold in South Australia 11/06
Petite Moulin P.J.	see also Au Petit Moulin	metal	SP	SEW CC471	French
Phantom	Milward brand Also manila envelope with sizing graphic but a vertical axis - shows trademark of "time the test" (Morris & Yeoman ?)	aluminum grey powder coated and annodised	straight 4xDP	GL/ BW SEW CC 883	<p>Name embossed on flattened shaft near small button stopper. Gail's pair have label with price 1/9 -- one shilling, nine pence. These come in two styles of stopper, the larger stopper coming in grey metal or with a coloured disk inset on top. "Milward's 'Phantom' Products are made of the finest quality aluminum alloy, anodized." (ie, no plastic)</p>  
"Pharoflex", The	"British made from British materials"	metal with plastic tips	circular	SEW CC 1444, 3250	<p>gift from Molly Pearce. CC 3250 is a box, same as faudell's Cornette but with a vertical axis and shows trademark of "time the test" (Morris & Yeoman?)</p> 

Knitting Needle Brands and Company Names Names Beginning with P and Q

-	Brand Names, Company Names, Other Relationships	Material	Type	Owner/Contributer	Notes
<p>Needle Owners/Data Contributors -- Pat Ashford, Rhonda Barratt, Heike Belter, Christina Bertrand (inc her newsletter NeedleNotes), Judy Cameron, Naomi Cidder, Judith Durbridge, Yvonne Haylock, Ineke Hulsman, Sue Lennon, Gay Lines, Pam Mycock, Nancy Nehring (inc her site lace buttons), Molly Pearce, Rike Platenkamp, Joyce Poynter, Jean Price, Merilyn Tebb, Beryl Warne, Shelia Williams, Robyn Zloch, Hazel and David Arnold, Barbara Smith (inc the Knitting & Crochet Guild UK), Nicola Kissane, Erin Titmus, June Rivett, Karen Kearney</p>					
Phentex	French (?) with Canadian and US offices		circular, SP	CC 3213 says "made in Mexico". Black plastic sleeve	 
Phildar	French	aluminum	SP circular	SEW CC1248 et al	
Phoenix		steel	4 x DP	JD	packet shows trademark of circled phoenix

PIK	DMC - so Canadian?		SP	SEW CC1841	1970's brand - cardboard holder card
Pingolite		metal	SP	SEW CC2206	French
Pingouin	French yarn sellers from at least the 1950s on. Another brand name is Esmeralda	plastic	SP, flexible, circular	SEW CC 2975 is anodised aluminum with a plastic spherical stopper with Pingouin around the middle. Also hollow single points with flat stopper. CC 472.	  
Pinguin	Is this a variant spelling of Pingouin?	stainless steel	straight but flexible		 
Pioneer	W. Guise & Sons	metal	4x dp		
Pixilite		annodised	straight	BW/SEW	"Pixilite" on shaft. Size on end of stopper.
Plasteel		steel rod with plastic	straight	SEW CC2301	US brand
Plasticon	Bernat				Either a brand name or else refers to material needles are made of
Plastifi			straight		Amber coated (and metal cored?) needles --couldn't get the photo to come across, but needles are translucent. The word "plastifi" is on the shaft near the stopper, but whether it is a brandname or alludes to the material, I'm not sure. Others in the group were marked Germany, so perhaps this amber pair are German too.
Platignite		metal	straight	SEW	gift from Pat Ashford. Shaft and stopper seem to be 1 extrusion; name and size engraved on the shaft
Platinoid					term used to describe knitting needles in 1910s and 1920s - see Pohlson catalogue image US 2012 074 - looks like white metal - wartime ??
Plaza Mfg. Co (New York NY)	maker of US brand Princess
